

Clowning Around

Brownie Try-It

Complete a total of four activities including one Discover, one Connect, one Take Action, one other activities chosen from any category.

Discover:

1. Collect pictures of clowns or pictures of clothing that clowns would wear. Make a collage with these pictures.
2. Learn about the materials that clowns and mimes use for face makeup. Try to create your own clown or mime face.
3. Learn about the materials that clowns or mimes use for their costumes. Try to make your own costume.

Connect:

1. Create a simple skit that a clown or mime would do. Put on a performance for your Troop.
2. Find out about what you would have to learn in order to become a clown or mime.

Take Action:

1. Demonstrate something that you have learned to another Brownie Girl Scout or a Daisy Girl Scout Troop. (*Some examples can be juggling, face painting, costume design, or performing a skit*).
2. As a clown, entertain the residents in a nursing home or at a children's ward in a hospital.
