15. Way Up in the Sky

Way up in the sky
The big birdies fly
While down in the nest
The little birds rest

With a wing on the left
And a wing on the right
The little birds sleep
All through the night

Shhh! Don't wake up the birdies!

The bright sun comes up
The dew falls away
Good morning, good morning
The little birds say

16. Early in the Morning (Repeat)

Early in the morning
When I was fast asleep
I heard a little birdie
Go cheep, cheep
And this little birdie
Has a funny name
It's
Called
Iga-fliga-fleega-fliga-ishka-nishka-niga-
niga-iga-fliga-fleega-fliga birdie
I'm gonna buy some bird seed
For my window sill
It's just to keep him quiet
It's just to keep him still
It's for my little birdie
Who has a funny name
It's
Called
Iga-fliga-fleega-fliga-ishka-nishka-niga-
niga-iga-fliga-fleega-fliga birdie

The Princess Pat
Lived in a tree
She sailed across
The seven seas
She sailed across
The channel too
And she took with her
A rik-a-bamboo

A rik-a-bamboo
Now what is that
It's something made
For the Princess Pat
It's red and gold
And purple too
That's why it's called
A rik-a-bamboo

Now Captain Jack
Had a mighty fine crew
They sailed across
The channel too
But their ship sank
And yours will too
If you don't take
A rik-a-bamboo

(chorus)

20. Lollipop

Oh I'd rather suck on a lemon drop
Than try my luck with a lollipop
Cause a lollipop I always drop
And it gets all over icky

Oh it makes me sick the way it sticks
And gets all over my hair and ick

With a jellybean I'm always clean
But a lollipop all icky

I've tried and tried
But still I can't find
A lollipop (pop)
That's half-way refined

So I'd rather suck on a lemon drop
Than try my luck with a lollipop
Cause a lollipop I always drop
And it gets all over icky, icky, icky icky
icky, blech

21. Donut Shop

Well I walked around the corner
And I walked around the block
And I walked right in to a donut shop
And I picked up a donut fresh from the
grease
And I handed the lady a five cent piece
Well she looked at the nickel

And she said this nickel isn't good you
see
There's a hole in the middle and it goes
right through
And I said there's a hole in my donut too
Thanks for the donut
Goodbye

Just put a watermelon right over your
head and let the juice slip through
Just put a watermelon right over your
head and that's all I ask of you

juice slip through

Loves Little White Doves
With a love as big as the skies
Running Bear

With a love that never dies

Young Indian Brave
On the other side
Of the water
Stood a lovely Indian maid
Little White Doves
Was her name
Such a lovely sight to see
But their tribes fought
With each other
So their love could never be

(chorus)

Running Bear
Dove into the water
Little White Doves did the same
As they swam out
To each other
To the swirling depths they came
First their eyes met
Then their lips met
Then the river pulled them down
Now they'll always
Be together
In that happy hunting ground

When along came a little girl and her

one was there, no no one was there
So she walked right in, had herself a ball
She didn't care, no she didn't care
And when she got tired she went upstairs
Home, home, home came the three bears
Cha, cha
Someone's been eating my porridge,
said the papa bear, hunh

There's a daisy on my toe
 It is not real, it does not grow
 It's just a tattoo of a flower
 So I look neat, taking a shower
 It's on the second toe
 Of my left foot
 A stem and flower
 There is no root
 Cause that wouldn't look good
 Pretty daisy on my toe
 My right foot loves
 My left foot so

49. Barges

Out of my window looking in the night
I can see the barges flickering light
Silently goes the river to the sea
And the barges too go silently

Barges, I would like to go with you
I would like to sail the ocean blue
Barges have you treasures in your hold
Do you fight with pirates brave and bold

Out of my window looking in the night
I can see the barges flickering light
Starboard's green and port is glowing
red

I can see the barges far ahead

Barges, I would like to go with you
I would like to sail the ocean blue
Barges have you treasures in your hold
Do you fight with pirates brave and bold

50. Rainbow Made of Children

We're a rainbow made of children
We're an army singing a song
There's no weapons that can stop us
Rainbow love is much too strong

I was born in Mississippi
Saying yes sir to all the men
But I've found that got me nowhere
And so I'll never say it again

We're a rainbow made of children
We're an army singing a song
There's no weapons that can stop us
Rainbow love is much too strong

I was taught that black was evil
I was taught that white was good
But when you become a rainbow
All the colors are understood

We're a rainbow made of children
We're an army singing a song
There's no weapons that can stop us
Rainbow love is much too strong

51. On My Honor

Chorus:

On my honor I will try
There's a duty to be done
And I say "aye"
There's a reason here
For a reason above
My honor is to try
And my duty is to love

People don't need to know my name
If I've done any harm
Then I'm to blame
If I've helped another
Then I've helped me
And opened up my eyes to see

Chorus

I've tucked away a song or two
If you're feeling low
There's one for you
If you need a friend
Then I will come
And there's plenty more
Where I come from

Chorus

Come with me where a fire burns bright
We can even see better by a candle's
light
And we'll find more meaning in a
campfire's glow
Than we'd ever learn in a year or so

Chorus

We've made a promise to always keep
And the day is done before we sleep
We'll be Girl Scouts together
And when we're gone
We'll still be trying
And singing this song

Chorus

52. Grove Point Song

The water under the silvery light
The shadowed path nearby
Beneath the hush of the evening star
Asleep Grove Point will lie

Chorus:

This is the camp we offer you
This is the love we give
And though tomorrow we may part
In our hearts Grove Point will live

The sun it shines on a sparkling bay
The wood with laughter rings
Girl Scouts live by the Scouter's law
And happy songs they sing

Chorus

Grove Point is joy and happiness
It's friendship strong and true
A happy face and friendly smile
And feelings felt by few

Chorus

53. On the Loose

Chorus:

On the loose to climb a mountain
On the loose where I am free
On the loose to live my life
The way I think my life should be
For I've only got a moment
And the whole world left to see
Looking for tomorrow on the loose

Have you ever seen a sunrise turn the
sky completely red?
Have you slept beneath the moon and
stars with a pine bough for your bed?
Can you sit and talk with friends though
a word is never said?
Then you're just like me and you've
been on the loose

Chorus

There's a trail that I've been hiking just
to see where it might go
Many places yet to visit, many people
yet to know
And in following my dreams I will live
and I will grow
On the trail that's waiting out there on
the loose

Chorus

So in search of love and laughter I'll be
traveling across this land
Never sure of where I'm going, for I
haven't any plan
But in time when you are ready come
and join me take my hand
And together we'll explore life on the
loose

Chorus

As I sit and watch the sunset and the
daylight softly fade

I am thinking of tomorrows and the
friendships that we have made
I will value them for always and I hope
you'll do the same
And forever we'll live life out on the
loose

Chorus

Now the moon is gently glowing and the
stars are twinkling bright
Our laughter and our friendship has
cleared the cloudy night
Come and join our flickering campfire,
come and sing our happy songs
Come and we'll live our lives together
on the loose

Chorus

54. Kanga's Song

Chorus:

Walk with me and talk with me
And say you'll be my friend
And together we'll work out a harmony
On a road that will never end

Although our roads are different
Just watch as they converge
We've got a job to do together
Our song, it must be heard

Chorus

Sisters for the summer
That's what the children say
But little do they know when we go
away
Our friendships will never fade

Chorus

So when you're down I'll build you up
And when you're up I'll laugh with you
And together we'll find our peace of
mind
That only true friends can find

So walk with me and talk with me
And say you'll be my friend
And together we'll work out a harmony
On a road that will never end
On a road that will never end

55. Spider's Web

Chorus:

There's a web like a spider's web
Made of silk and light and shadow
Spun by the moon in my room at night
It's a web made to catch a dream
And hold it tight till I awaken
As if to tell me that dreaming's all right

Down in the valley there is a mission
By that old oak tree near the mission
There's a fountain where my love told
me

Chorus

In the evening she was sleeping
My love dreamt of me; I was leaving
She was weeping as she said to me

Chorus

I met a stranger, his name was danger
We rode side by side
Down in Santa Fe, I killed a man they
say
Danger told me to ride

Chorus

Now if I return, they will hang me
By the old oak tree
By that mission where my love told me

Chorus

56. Rose

Rose rose rose rose
Will I ever see thee wed
I will marry at they will sire
At thy will

Ding dong ding dong
Wedding bells on an April morn
Carve my name on a moss covered stone
On a moss covered stone

57. Girl Scouts Together

Girl Scouts together that is our song
 Winding the old trails rocky and long
 Learning our motto living our creed
 Girl Scouts together in every good deed

Girl Scouts together happy are we
 Friendly to neighbors far over seas
 Faithful to country loyal to home
 Known as true Girl Scouts wherever we
 roam

58. Linger

Mm-Mm I want to linger
 Mm-Mm a little longer
 Mm-Mm I want to linger here with you

Mm-Mm-Mm-Mm It's such a perfect

 Mm-Mm it doesn't seem quite right
 Mm-Mm that it should be my last with
 you

Mm-Mm-Mm-Mm and come September
 Mm-Mm I will remember
 Mm-Mm our days of camping
 friendships true

Mm-Mm-Mm-Mm and as the years go

 Gone the sun
 From the lakes
 From the hills
 From the sky
 All is well
 Safely rest
 God is nigh

Make new friends
 But keep the old
 One is silver
 And the other's gold

A circle is round
 It has no end
 That's how long
 I'd like to be your friend

Fare thee well
 Fare thee well
 Luck go with thee
 When I'm gone, remember me
